# HAMMERED DULCIMER WORKSHOP

Dee Dee Tibbits' love of music and love of teaching makes her workshops a fun place to be. Dee

Dee combines learning techniques both visual and practical, and will have the seasoned player and the beginner glean information and skills while feeling challenged, but not overwhelmed.

In this one day workshop students will learn the essentials for creating their own arrangements and how to make the song pleasing to the ear. Participants will learn how to use vamps and other techniques to enhance their music, and to create different parts for playing with others.

Dee Dee is a song writer, performer and music teacher, who is excited to share her skills and abilities with her students. She has two solo CD's and 3 Celtic "Sonas" CD's available. For more information about Dee Dee or her CD's visit her website at [deedeetibbits.com](http://deedeetibbits.com)
